- a. Bucky gave presentation on PEAC system.
- b. If anyone is interested in access to the PEAC system, please contact Bucky.

8. Transportation Flow Study for Tooele County –

- a. TCEM has been working with Richard Moseley to prepare for a flow study. We are currently looking for volunteers. This is a 24-hour operation. The location is at the Tractor Supply and the MidValley Highway at 138. We will be looking at all commercial vehicles as well as plackered vehicles. We are looking at a good overall view of how traffic flows on the highways. From the LEPC standpoint there is a proposed rail line addition. It is a 12-mile leg of additional rail line.

9. Tooele County Regional Fire School –

- a. **May 5th Training on Union Pacific Train Emergencies @ EOC Training Room**

- i. Tooele County is extending an invitation to any industry partners who would like training on the Union Pacific Rail Line.

10. State Reports:

- a. UDEM – Tara Behunin
 - i. SERCA Rep Doug Bitton- DEQ has announced they will provide a batch file to each county that have been submitted to the State. State Fire Marshalls Office have been collecting all the rail studies in the State and will send that out to LEPC's.
 - ii. The LEPC conference will be held on Nov 14th at the Davis Conference Center.
- b. State Fire Marshal Liaison – Richard Mosely
 - i. They still offer training in person. They also help people dispose of things lawfully.

11. Training Opportunities –

- a. **CERT – April 9th at EOC**- handout attached.
- b. **Shelter Operations - April 22nd at Tooele High School** -handout attached.
- c. **Shakeout- April 21st**
